

Perfect Turf

The *PERFECT* Solution for Pools

Before: Grass around pools, means grass clippings in pools. Clogging up the filters, making the water dirty, and potentially leading to costly repairs to the filter system.

After: Synthetic turf will not stain from the Chlorine. No mowing means no grass clippings in the pool. No dirt on the ground means cleaner pool water. It's the **PERFECT** solution for pools of all sizes!

Perfect Turf LLC can supply and/or install turf to surround any size pool or area. Easy to hose off, as a pool surround **Perfect Turf** will last many years and always look good while it keeps your pool looking good too.
